*****(FYI - APBC is 2-3 hours from airports that accommodate pets easily - a dog needs to be dropped off 3 hours prior to scheduled flight. Night before stays in LAX can often be a necessity. We have a relationship with Marriott Los Angeles Airport and stay there with minimal hassle - a Park and Fly stay for 3 days averages \$250-350 depending on availability - will add one day of per diem)*

Hotel Recommended by Client - CLOSEST PROXIMITY TO HOME - (Please make sure that the hotel rooms are a pricepoint you are comfortable with before recommending - **and PET FRIENDLY!!** While it may not always be necessary...a later flight could result in the need for the dog to stay with Luke. Please refer to www.bringfido.com to assist you in finding a pet friendly hotel)
